Dear Fundraiser

Congratulations on taking the opportunity to team up with the **Mezmo Comedy Hypnosis Show**. I'm sure you will find this to be one of the most satisfying and fun Fundraising adventures you will get to enjoy hosting.

As well as this cover letter there are 3 folders: -

- Documents
- Posters
- Photographs

Begin with the *Documents* folder where you will find 2 PDF's and 2 Word documents

- The "How to Host a Successful Show" booklet provides a guide for Marketing processes to help you maximise your opportunities.
- The "Hosting Timeline" is a suggested schedule based on a 7-week campaign
- The "Press release" and "Event Calendar Announcement" are editable so you can include your details.

The Posters in the *Poster Folder* are PDF's and can be printed up to A3 size

The Photos are Jpegs from previous shows or of Mezmo and can be used for further publicity.
